

# LOOK FOR RED FLAGS AND BLESSINGS IN YOUR NATION...

## RED FLAGS include:

Infant mortality rate  
# paved roads  
water quality  
transnational disputes  
border issues  
literacy rate  
reputation on the news  
corrupt government/ coup  
refugees

## Blessings include:

Natural resource with benefits (ex: Jamaica- coral reefs, Russia- poppy for medicine program)

Success with a program that you can share with other nations (ex: Togo- reducing waterborne illnesses)

Brainpower, medical know-how, high literacy rate that can be shared with other nations, technological advances, geographic advantage, sharing a resource, etc.
